INFORMATION FOR ENTRANTS

1: DO NOT USE PERSONAL ENTRY FORMS

Personal entry forms do not fit into our filing system. If you do not use the Maitland Salon Entry Form, somebody has to transcribe your details on to one. This is extra work.

2: FILL IN YOUR ENTRY FORM. DO NOT CUT UP THE ENTRY FORM

As most entrants receive an Entry Form, please fill it in clearly, as it is hard to read some names and titles and send it to us in one piece. This saves us time in not having to fill in an Entry Form for you, reducing the number of spelling mistakes in names and titles for the catalogue. Forms that have been cut by you have to be glued together by us. Keep your titles short - **25 characters or less**. This helps us when compiling the catalogue: ie proof reading titles. We repeat: **Do not use personal entry forms.**

3: SEND PRINTS, CDs, MONEY AND ENTRY FORM IN THE ONE PACKET.

This saves you the postage of separate parcels and letters. It saves us work in not repeatedly processing your entry as your various letters and parcels arrive.

4: USE ONE ENTRY FORM PER PERSON

If you enter more than one section or have to send prints and CDs in separate packages, use only one Entry Form. If you use two forms, one is destroyed after the information is transferred to the other. However you should try to send prints, CDs and Entry Form in the one package.

5: JUDGING REPORTS

Each entrant receives an individual judging report. If an email address is available, judging reports will be sent by email. Where email is not available, reports for group entries are all sent to the group leader and all overseas reports are sent Air Mail. **Check <http://www.maitlandsalon.com> for results after judging date.**

6: ALL PRINT PACKAGES ARE RETURNED BY SEAMAIL UNLESS AIRMAIL HAS BEEN PAID

SEAMAIL takes from 16 to 20 weeks to be delivered. (Seamail available **only** in zones C & D now.)

7: PRINT SIZE

The size of prints we recommend for Exhibition purposes must not exceed 50 x 40 cm (20" x 16"), with the smallest 30 x 21 cm (A4). We do not have a section for Small Prints nor are we approved by PSA for this.

8: Arrival of Entries

After processing a batch of entries we list the entries we have received on the web site. You can look at this list to check that your entry has arrived and to check the spelling of your titles.

9: PSA Star Ratings

Acceptances in Mono & Colour Prints count towards ratings in Pictorial Print Division

Acceptances in Nature Prints & Pl's count towards ratings in Nature Division

Acceptances in Pictorial Projected Images count towards ratings in Color Projected Image Division.

Human elements shall not be present, except on the rare occasion where those human elements enhance the nature story. The presence of scientific bands, scientific tags or radio collars on wild animals is permissible. Photographs of artificially produced hybrid plants or animals, mounted specimens, or obviously set arrangements, are ineligible, as is any form of manipulation that alters the truth of the photographic statement. Techniques that enhance the presentation of the photograph without changing the nature story or the pictorial content are permitted. All adjustments must appear natural."
- **Wildlife Definition** "Authentic wildlife is defined as one or more organisms living free and unrestrained in a natural or adopted habitat. Therefore, landscapes, photographs of zoo or game farm animals or any living subject taken under controlled conditions are not eligible for Wildlife competitions."
